

CULTURE & INCLUSIVENESS ACTION COLLABORATIVE

Winter 2020 Update

Colleagues: Thank you for your engagement with the [Culture & Inclusiveness Action Collaborative \(CIAC\)](#), an activity of the National Academy of Medicine (NAM) [Leadership Consortium: Collaboration for a Value & Science-Driven Learning Health System](#). Below are highlights from CIAC's work.

Please be in touch for additional information or to indicate an interest in participating in any activity noted.

Ayodola Anise, Director, Value & Culture, aanise@nas.edu

FOCUS OF UPCOMING MEETING

- **July 7, 2020:** A bi-annual meeting of the CIAC members to discuss ongoing activities and identify new areas of focus to ensure full and equitable engagement of people & communities.

FOCUS OF RECENT MEETINGS

- **January 23, 2020:** A meeting of the Evidence Mobilization Action Collaborative members on the evolution of data privacy and implications for secondary use of health data. ([event page](#))
- **December 12, 2019:** A meeting of the Culture and Inclusiveness Action Collaborative to improve population health by involving people, patients, and communities in measurement development and evaluation, and accelerating the implementation of care at the intersection of medical and social needs. ([event page](#))

COLLABORATIVE ONGOING NAM PROJECTS: CIAC AND CIAC-RELATED

Collaborative projects are intended to: 1) identify issues of common interest and marshal needed leadership; 2) develop tools and networks needed for progress; and 3) develop joint leadership possibilities through individually-authored Perspective papers. Ongoing activities include: nt in a wide range of settings.

CIAC-RELATED COLLABORATIVE PROJECTS UNDER CONSIDERATION

- The Leadership Consortium's stewardship of collaborative initiatives; 2) the interest and commitment of participants to take action; 3) clearly identified advantage for the Academic Health Center; and 4) clearly identified advantage for the Academic Health Center.
